

WHY WE QUIZ

For the poorest and the most vulnerable people in our community, access to justice is out of reach. Free legal advice makes a huge difference to their lives.

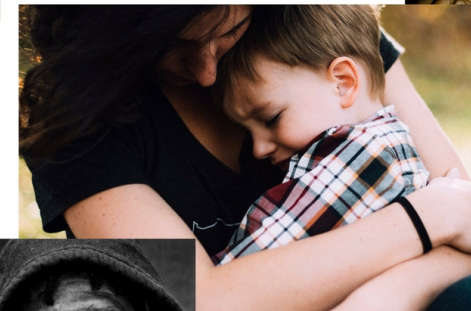

Families living in terrible housing conditions

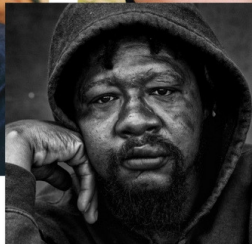

People living with disability or illness and their carers

The elderly who need support to stay living independently

Women and children facing trafficking and labour exploitation

People facing unfair dismissal or discrimination in the work place

As well as a wonderful social event, holding a Great Legal Quiz enables vital funds to be granted to local advice charities, helping to protect those in need.

The Access to Justice Foundation is a company limited by guarantee (No.6714178) and is a charity registered in England and Wales (No. 1126147) and in Scotland (No. SC048584).
